## (SSTD-00-1) - Panoramic Flagship Padel Court Whole Set Material

			SSTD-001-1	
Photos & Model No.	Parts	Items	Size&Spec	QTY
Full set of Panoramic Flagship Padel Court		20m*10m = 200SQM		
	Steel Column	<p>Steel Material: Q235 Hot Dip Galvanized Steel surface treatment: 2 layers powder coating Coating standards: ISO 12944-4 <b>High-durability polyester powder coating on steel fencing for coastal areas</b> Main Steel Column: 100*100*3mm Height: 3M Other Column: 100*50*3mm Height: 3M Upper&amp;Lower Beam: 100*50*3mm Length: 4M Color: Black/Green/Red/Blue/Orange/customized Comply with: EN14904:2006</p>	44 pcs	
	Steel Mesh Frame	<p>Steel Material: Q235 Hot Dip Galvanized Steel surface treatment: 2 layers powder coating Coating standards: ISO 12944-4 <b>High-durability polyester powder coating on steel fencing for coastal areas</b> Seine Frame: 1*2m Frame Square Steel Tube: 50*30*3mm Mesh Wire Diameter: 4mm Mesh hole Size: 50*50mm Color: Black/Green/Red/Blue/Orange/customized Comply with: EN 14904: 2006</p>	46 pcs	
	Tempered Glass	<p>Type: Special explosion-proof tempered glass Size: 2 *3 M thickness*12MM Performance : impact resistance, the grape-shot bag impact property and fragment form comply with GB 15763.2-2005/safety glazing materials in building part 2- tempered glass) Certification: CCC Certificate &amp; CE Certificate Comply with Standard EN12150-2: 2004</p>	18 pcs	
	Artificial Grass	<p>Type: Monofilament curled fiber 100% PE Performance: Strong Anti UV Warrenty: 5 years Area: 209.2SQM Height: 12mm Dtex: 9500 Density: 63000 needles/m<sup>2</sup> Gauge: 3/16" Backing : PP+PP+PU High-density perforated backing with reinforced drainage grid Color: Blue/Green/Red/ Customized with white Line Certification : CE Certificate Apply for Standard: EN 15330-1:2013</p>	3 rolls	
	LED Flood Light	<p>Wide Range AC Input:110V-240V Power:200W Illuminance: 300 LUX Water Proof:IP65 Beam Angle:60 °/ 90 ° Service Life:8000 hours Blade cooling design, efficient heat dissipation. IK08 tempered glass, better for outdoor usage. High strength die-casting aluminum, safe and reliable. Certification : CE Certificate Appliy for standard: EN60598-1/-2:2021</p>	8 pcs	
	Light Poles	<p>Shape: Z-shape Steel Material: Q235 Hot Dip Galvanized Steel Surface : 2 layers powder coating Light pole steel tube: 100*50*3mm Color:Black/Green/Customized</p>	4 pcs	
	Middle Net	Length:10m Height:92cm Thickness:3mm Material:Polypropylene Mesh Size:45mm Color:Black	1 set	
	Middle Post	Steel Material: Q235 Hot Dip Galvanized Steel Surface : 2 layers powder coating post tube size : 100*50*3mm Height: 970mm	2 pcs	
	Artificial Grass Adhesive tape	Used for bonding artificial grass Length:100M	1 roll	
	Other small installation accessories, tools, etc.	Stainless Steel 304 Nuts and Bolts	1 set
